Welcome to Abrasive Finishing Industries. We are the Northeast leader in Abrasive Equipment and abrasive media. You are more than welcome to shop online or place your order via phone or fax. We offer unsurpassed customer service with 24hr / 7 day support and same day delivery. No down time equals better efficiency for your company and more production. Our sales staff has more than 30 years combined experience in the field of abrasives. We even offer some hard to find parts, such as Ruemelin type replacement parts. Please call or email us with any questions or suggestions, we would love to hear from you.
